Grapjes

Franquin heeft een aantal grappige tekeningetjes gemaakt die niet echt in een serie thuishoren, ook niet bij de covertekeningen die hij maakte.

IK DURF ER NIET MEER

Postkaarten

Franquin heeft ook een serie postkaarten getekend, waarvan er hier drie geplaatst zijn. Het telefoonnummer 48 81 00 was ook de naam van een grootse liefdadigheidsactie waaraan Guust, juffrouw Jannie en meneer De Mesmaeker meewerkten.

Stickers

Geheel boven en boven: Het Belgische Ministerie van Economische Zaken had Franquin gevraagd enkele stickers te ontwerpen in verband met een actie rond energiebesparing.

Rechts: Deze sticker werd niet besteld door het Belgische Ministerie van Financiën, maar werd gemaakt voor de parkeermeteroorlog.

Omslagtekeningen

Franquin heeft Guust vaak een nieuwe serie die startte in het weekblad *Robbedoes*, op de omslag laten aankondigen. Sommige van zijn allerbeste tekeningen heeft Franquin dus gemaakt om het werk van andere tekenaars te presenteren.
